International Codes-Adoption by State (December 2025)

ICC makes every effort to provide current, accurate code adoption information. Not all jurisdictions notify ICC of code adoptions.
To obtain more detailed information on amendments and changes to adopted codes, please contact the jurisdiction. The effect of state code adoptions on local government code requirements varies by state. For more information on the extent of state code adoptions reported here, or to submit code adoption information, please visit www.iccsafe.org/adoptions

X = One or more state or local agencies/jurisdictions have adopted an edition of the specific code. However, the particular code is not used as a standard for all buildings. **Blank** = The specific code has not been adopted by any state or local jurisdiction in the state. Within parentheses () = adopted as a stretch code.
