

# HORNET II™

## ORDERING PRINTER INK VIA REA JET

---

Ink for the Hornet II printers must be purchased directly from REA JET. Ink must be purchased prior to the saw's installation and MUST be present at the installation of the saw. Ink cannot be purchased directly from MiTek.

### Creating an Account with REA JET (United States Customers Only)

For new US REA JET customers, creating an account with REA JET before ordering ink is highly recommended. Use the New Customer Form on the REA JET website to create an account.
