### Note on Weight:

The weights calculated throughout this catalog are based on the following industry standards:

**20 gauge**  
**.011502#/square inch**

**18 gauge**  
**.014970#/square inch**

**16 gauge**  
**.018400#/square inch**

Due to allowable tolerances of steel thicknesses, actual weight(s) may vary.
